

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 23, 1996

SUBJECT: **HB 1991 - SB 2055**

This bill, if enacted, will allow a firearms dealer to file a copy of the purchaser's eligibility certificate with either the county sheriff or the chief of police, depending upon the purchaser's principal place of residence. Current law requires the certificate to be filed with both offices if the purchaser lives in a municipality.

The bill also authorizes the chief of police to charge a fee of up to \$10 to cover the cost of the background verification. Current law allows only the sheriff to charge such a fee.

The fiscal impact to local governments from enactment of this bill is estimated to be minimal, since the bill merely shifts a portion of expenditures and revenues presently realized by sheriffs to chiefs of police.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
